

Day Camp Timeline

November - May

Register your spot for Camp Omega's Day Camp Program. Check for availability within the nine weeks we offer: between June - August. Reservations are made on a first come, first serve basis and require a \$300 deposit.

January - May

- Appoint a Congregational Contact Person.
- Develop a planning committee to help with the congregation's responsibilities. Within this committee, include high school and adult volunteers who wish to help with the program. Also involve potential host families that will be housing counselors during the Day Camp.
- Secure places where campers can play games, participate in arts & crafts, and seek shelter in case of severe weather.
- Publicize the event within your church and schools. Post flyers and posters, place inserts in the church bulletin, and speak to all of the Sunday school classes and Bible Study groups.

May - Two Weeks before Day Camp

- Solidify the content of your Day Camp by deciding upon optional activities such as field trips, youth nights, and program nights. Once you have decided which of these you would like to host, and the dates and times, publicize them within your congregation.
- Distribute and collect registration and Health Information Forms.

One Week before Day Camp

- Mail, Email or FAX Roster of Campers and Day Camp Information Form to Camp Omega (info@campomega.org, FAX: 507-685-4401).
- Review final planning in regards to final registration numbers, forms, housing, special programming and any other needs with the Camp Omega staff.

During Day Camp

Communicate daily with the Day Camp team. Feel free to take plenty of pictures to display in the weeks after!

After Day Camp

- Complete the online Day Camp Evaluation provided.
- To secure your reservation for the following year, contact the Camp Omega office staff by mid December.
