Camp Omega's Youth Servant Leader Program

Let each of you look not to your own interests, but to the interests of others. Let the same mind be in you that was in Christ Jesus.

- Philippians 2: 5-6

For even the Son of Man did not come to be served, but to serve, to give his life as a ransom for many.

-Mark 10:45

Youth Servant Leader Program Information

The Program...

Previously known as the Volunteer Program, the Youth Servant Leader Program (YSL) prepares youth to be servant leaders here at camp, at their churches, and in their communities. The emphasis will be in training YSLs to become servant leaders by following the example that Christ set for us. Specific training will focus on how YSLs can lead through example; specifically to the campers of Camp Omega, as well as training on how to lead activities, devotions, and assist other leaders. Then, YSLs have the opportunity to put into practice what they've learned in a week-long camp session. While at camp YSLs will be given the responsibilities to assist counselors with their duties, be a friend and an example to the campers, and participate in the organization and leading of various camp games.

Benefits...

Learn new leadership skills, sharpen the ones you already have. But most importantly you'll have an opportunity to share the Gospel with campers, counselors, and other YSLs. Enjoy the outdoor setting of Camp Omega as a living lab for the Christian life. Share Jesus love while participating in all of camp's activities.

Training...

Training for the Youth Servant Leader Program is available on five different weekends, depending on interest. Training sessions are led by experienced program staff and counselors and Camp Omega. You can attend any one training session, but a weekend training session must be attended prior to attendance of a week-long camp program. Please fill out the registration form on this brochure to reserve your space.

If you are interested in simply having YSL training, but are not sure if you are interested in or have time for week-long camp session, you can still attend the training. The YSL training, although it is geared somewhat specifically for Camp Omega.

Application Process...

In order to become a YSL at Camp Omega you must be at least 16 years of age before attending a week-long camp session. You must be at least 15 to attend a weekend training session. You do not have to be a high school student to volunteer. College-aged students are also welcome. In order to volunteer for a week-long camp session you must complete an application and have your pastor or youth leader fill out a reference form. To obtain an application and a reference form please ask your pastor/youth leader for a copy, or obtain a copy from our website: www.campomega.org. Mail the application to Camp Omega and have your pastor/youth leader mail your reference form directly to camp.
